

Take the 40-Gallon Challenge!

What is it?

- The 40-Gallon Challenge is a call for residents and businesses to reduce the region's water use on average by 40 gallons per person, per day.
- It is a voluntary campaign to increase water conservation.

How does it work?

- The 40-Gallon challenge encourages people to save a minimum of 40 gallons a day by adopting new water-saving techniques.
- The pledge card outlines water-saving practices and the daily water-savings to expect.
- You can use the pledge to review the water-saving practices that you or your family currently put to use.
